Any child under 11 yrs must have a parent/guardian on site at all times. For children over 11 yrs parents can leave the site whilst their child is under instruction but must leave a contact telephone number and collect as the lesson finishes.

Whilst on a X-Train course it is vital that you observe the instructors safety guidance for your safety and the safety of others.

There is an element of risk with any watersport, and the instructor is there for your safety, so their instructions must be followed to avoid exposure to any unnecessary risks. Please ensure you declare any medical issues/medication, you are aware that your fitness is suitable for the sport you wish to try, you are capable of swimming back to your gear, and must not participate in any lesson under the influence of drugs or alcohol.
